

Active Kids Voucher

What is Active Kids?

Active Kids Voucher is an initiative of the NSW State Government to help families meet the cost of children participating in active fitness and recreation activities, like Girl Guides.

From 31 January 2018, girls can receive a \$100 voucher to go towards covering annual membership fees. Each child will be entitled to one voucher per calendar year for the next four years. This will assist families who want their children to enjoy the Girl Guide program.

Girl Guides NSW is an eligible provider of the Active Kids rebate and is continuing to work with the NSW Office of Sport to make the program available to Girl Guides and make it as easy as possible for the vouchers to be redeemed.

Who is eligible to redeem an Active Kids voucher?

Every child (4.5–18 years' old) enrolled in school from Kindergarten to Year 12 is eligible for an Active Kids voucher. This includes those who are home-schooled or enrolled in secondary school education at TAFE NSW.

One voucher is available for every child in the family annually over the next four years. Once claimed the voucher cannot be refunded or exchanged and is not a rebate so cannot be claimed against fees already paid.

Active Kids Voucher can only be used for Girl Guides NSW Annual Membership fees.

Members who live in the ACT or who undertake Guiding in the ACT but live in NSW are not able to use the voucher for Girl Guides.
